**Buying a game in the early access, you will support the further development of the game and quality content!**

Main hero is a young guy wandering around the strange island in search of his beloved, who disappeared after the crash of an aircraft on which they flew on vacation. Now our hero has to go on a journey in search of his beloved with hopes that she is still alive. He will fight with mysterious creatures, meet with interesting inhabitants of the island and visit dangerous adventures and interesting places. Help our hero find his beloved.

The game has more 30 interesting levels, 5 amazing locations. Easy control. Support steam and google play games services.

The game is still in development and has some bugs. Our team is very small, just 2 person, that's why the development is progressing slowly, but we are trying to make high-quality content and in the near future to release a new update.

Mr J. must find his way through the island, encountering dark caves, a temple, and some of the ugliest critters on the face of the Earth. There are many secrets and mysteries to be solved, and many coins and ancient artifacts to discover.

***important Note***
